SideStep solutions

While server technology is evolving by the minute, training and skills of those who run them aren't. That's why SideStep Technology has opened shop and begun running extensive server-related training to help ensure vital tech stays operating. But when the pressure is intense, how can managers assess needs and run training without disrupting day-to-day server operations?

Business reporter [Jon Walsh](#) spoke with [Rex Tyson](#), CEO of [SideStep Technology](#), to discover some of the company's new strategies to get Smartstack technology off the racks and into businesses worldwide.
