What are Presentation Profiles?

Presentation Profiles make you look great when it counts.

Part event introduction, part bio, and part sales tool, Presentation Profiles will promote you and your organization or activities in the best possible light at events.

Use Presentation Profiles to share your message, market your business, and meet and communicate with future customers, partners, and collaborators.

These smart tools will be a resource that your event attendees are sure to appreciate and remember. Their soft and hard copy formats help maximize impact and retention of your event and your message.

Creation, distribution, and post-event marketing

1. Once you order a Presentation Profile, Business Grow will work with to create the product, as well as any other marketing products that may be required. See
2. Arrange with the event host to hand out your Presentation Profile to people as they enter. For post-event marketing purposes, there are a number of ways to collect attendees' e-mail addresses.
3. **Post event:** Make contact with attendees for mutually beneficial growth.

Leadership Coaching for the New Decade

Sarah Taylor
CEO, Japan Executive Coaching

December 30th, 2020
28th, Roppongi Hills, Tokyo

Welcome!
Thank you for coming to my seminar! I appreciate you taking time out from your busy schedule to be here today.

What we'll discuss
Today, I will be elaborating on **effective leadership coaching** and how it can transform companies from the top down. Where leadership best practices are integrated into companies, the resulting organizational change can spread and create positive staff work habits, improve company culture and outcomes, and boost profits.

I will discuss 10 ways leadership coaching can be implemented, the flow of benefits of each method, and how 'Train the Trainer' methodology can produce new coaches who can train staff internally and create ongoing self-sustaining business growth.

We'll also have an ideas sharing session where you will have an opportunity to learn and contribute your thoughts on how leadership coaching could be integrated into your company structure by bringing about the transformations you need in 2022.

Workplace Compliance

PRESENTATION PROFILE

ELAINE GOH
CEO, EXCELSIOR HOLDINGS, LTD

Welcome!
Thank you for coming to my seminar! I appreciate you taking time out from your busy schedule to be here today.

WHAT WILL WE DISCUSS?
Today, I will be elaborating on **workplace compliance**, why it is necessary, and how to implement effective, simple compliance best practices and integrated into companies. The resulting organizational change can reduce and create positive staff work habits, improve company culture and outcomes, and boost profits and productivity. My workplace compliance step can be implemented, the flow of benefits of each method, and how 'Train the Trainer' methodology can produce new coaches who can train staff internally and create ongoing self-sustaining business growth.

IDEAS SHARING SESSION
We'll also have an ideas sharing session where you will have an opportunity to learn and contribute your thoughts on how workplace compliance could be integrated into your company structure to ensure your company holds all the boxes in 2022.
